MEMORANDUM FOR: [REDACTED] Office of Logistics

SUBJECT : Agency Report to the Information
Handling Committee

25X1A

1. In previous years the Committee on Documentation (CODIB) has solicited material from its individual Intelligence Community members on activities of interest to the community at large in the areas of documentation and information handling. During the past year CODIB was reconstituted as the Information Handling Committee (IHC), while the name has been changed the requirements seem to remain essentially the same, and items of community interest are being solicited for inclusion in an Agency report to the IHC.

2. Last year the Office of Logistics provided a brief paragraph describing the current status of EPIC. I would appreciate an updated report of EPIC status for part of the Support Directorate submission to the Agency's report to the IHC.
